Prince Goswami

I am an passionate IT Engineering student with a strong interest in technology and innovation. During my academic journey, I completed an internship in full-stack development, where I developed hands-on expertise in creating and managing dynamic web applications using modern technologies. I enjoy tackling complex problems, exploring new tools, and delivering creative solutions to practical challenges

PROJECT

Nirmal Earth: AI-Driven Community Waste Management Platform

Nirmal Earth is an AI-powered waste management platform that incentivizes eco-friendly actions through rewards, real-time task tracking, and community engagement. It uses AI to verify waste reports and fosters a collaborative, sustainable approach to waste reduction.

EXPERIENCE

Interned as a Full-Stack Developer

The Special Character / Ahmedabad / December, 2023 - January, 2024

Completed an internship in full-stack development, where I built a fully functional e-commerce website using technologies like ReactJS, NodeJS, and other modern tools. This experience helped me enhance my skills in both front- end and back-end development, along with problem-solving and building dynamic web applications

TRAINING/ CERTIFICATIONS

Full-Stack Developer Intern

The Special Character / 2024

EDUCATION

Bachelors In Information Technology

L.D.R.P. Institute Of Technology & Research / Gandhinagar / September, 2021 - Present
